Agenda Item No. 01: Approval for change in vendors for cafeteria are to be placed before UAC for approval or the same can be taken on record only.

After deliberation, the committee has concluded that in cases where the existing rules or regulations are silent on a specific matter, it is always prudent to table the issue in the Unit Approval Committee (UAC). This is essential, especially when considering the duty aspect and ensuring adherence to the due process.

In light of this, the committee has deferred the proposal for the application concerning the change in vendors for the cafeteria. The committee has directed that such applications be tabled in the Unit Approval Committee Meeting for further discussion and consideration.
